

# Manor Medical Practice Statement of Intent

## Summary Care Record (SCR)

NHS England require practices to enable successful automated uploads of any changes to patient's summary information, at least on a daily basis, to the summary care record (SCR). Having your Summary Care Record (SCR) available will help anyone treating you without your full medical record. They will have access to information about any medication you may be taking and any drugs that you have a recorded allergy or sensitivity to.

Of course if you do not want your medical records to be available in this way then you will need to let us know so that we can update your record.

More information on the Summary Care Record can be seen at

<http://www.nhscarerecords.nhs.uk>

**The practice confirms that your SCR is automatically updated on at least a daily basis to ensure that your information is as up to date as it can possibly be.**

## GP to GP Record Transfers

NHS England requires practices to utilise the GP2GP facility for the transfer of patient records between practices, when a patient registers or de-registers (not for temporary registration).

It is very important that you are registered with a doctor at all times. If you leave your GP and register with a new GP, your medical records will be removed from your previous doctor and forwarded on to your new GP via NHS England. It can take your paper records up to two weeks to reach your new surgery.

With GP to GP record transfers your electronic record is transferred to your new practice much sooner.

**The practice confirms that GP to GP transfers are already active and we send and receive patient records via this system.**

## Patient Online Access to Their GP Record

We currently offer the facility to book, view, amend, cancel and print appointments online. Order online, view and print a list of your repeat prescriptions. View your medical records online which includes letters, medications, allergies and adverse reactions.

If you do not already have a user name and password for this system – please register your interest with our reception staff.
